Essay Questions (150 – 300-word response)

- Tell us about your experience with Fresh Start. How has Fresh Start helped you with your personal & professional development thus far?
- What about this particular career field interests you? Please focus on the duties and responsibilities of someone in this field, not simply the salary or benefits that might be afforded someone in this field.
- How will this certification/training program help you in your long-term goals? When answering the question, please be sure to address the following:
 - Why are these goals important to you?
 - How will these goals bring you to economic self-sufficiency?
 - What motivates you to accomplish your goals?
 - What steps have you already taken toward your goals?
 - What types of support would you like to receive from your Social Worker as you pursue your goals?
 - What attributes/characteristics/attitude/skills do you think you can bring to your training program that will push you toward your goals?
- What 3 websites, aside from those related to this particular certificate program, have you visited to research this career?
- What barriers do you believe you might face when returning to school or what concerns you most about making this decision? Please include how you plan to overcome these barriers and concerns.
